- 6. Treasurers Report & Examined Accounts:** David said that the accounts (showing on powerpoint display) had been made available to members on the website. He explained some of the figures but said that an immediate change was the Trustee decision to increase the cost of group attendance from £1.00 per member to £1.50 from 1/1/2020. The cost of hire of the rooms had increased dramatically in the last two years and over the last 7 years there had been a 175% increase.
6(a) Question: Ray Gardner wondered whether we could do better with regard to interest received on capital. David said that we had already changed several accounts for this reason.
6(b) Question: Peter Laws wondered why the £1.00 room fee was only paid at venues ie not if meeting was held at a group leaders home?
* Sue Lamberton explained that the amounts received from groups held in members' homes would be insignificant. She also said that the Trustees had considered this very

point at a recent Trustee meeting and agreed that the amounts were still too small to warrant change.

* Member Jane Grey said that she only paid 50p. Angie Cantrell said that anything paid by group members who met in a home was usually for tea, coffee etc.
